The Secretary,

LONDON.

Dear Sir,

Steamer "XMAS"

This vessel is at present at Mormugao, Portuguese India, and should leave there on 20th instant, loaded, for Japan. On arrival in Japan the vessel may be sold for breaking up but if not the Owners wish to bring the ship to Hong Kong. They state that they may not submit the vessel for Special Survey, if the local scrapping price is good.

They request that

- (1) The vessel's class be continued until arrival in Japan.
- (2) In the event the Owners wish to bring the vessel to Hong Kong, a Load Line Certificate be issued for the necessary voyage, in ballast condition.

A cabled reply will be appreciated.

Yours faithfully,

James Anderson
