

COPY OF LETTER RECEIVED FROM LEITH SURVEYORS DATED 10.4.63.

Dear Sir,

"SORSRA" "SOUTHERN TRUCE"

"SOLVRA" and "SONDRA"

In reply to your letter of the 5th April, the Owners representative states that the "Southern Truce" may return to Europe at the end of this month in which case the overdue boiler survey, screwshaft survey and general examination will be held in South Georgia before making the Atlantic crossing. The position of the other vessels named remains the same.

Yours faithfully,
