DATE

20th June, 1963.

The Secretary,
Lloyd's Register of Shipping,
71, Fenchurch Street,
LONDON, E.C.3.

Dear Sir,

"SOUTHERN PAUL"

We refer to your letter of the 12th of June and can advise you that the Acting Surveyor called in the services of James Mackenzie, one of our Carpenters, who has been with us continuously since 1949, and who had 5½ years' service in a Royal Naval Dockyard as a Shipwright.

The Acting Surveyor considered that Mr. Mackenzie had more practical experience on wooden vessels and boat building, and therefore called upon him to assist in the survey.

Yours faithfully,

For and on behalf of CHR. SALVESEN & CO. LTD.

E. C. Young
DIRECTOR.
