Dear Sirs,

M/Vs. "Southern Paul" & "Southern Peter".

I am in receipt of your letters of 24th August 1950 regarding survey of above mentioned vessels, and can inform you that "Southern Peter" was docked from 2nd to 11th February 1950, and "Southern Paul" was in dock 11th to 19th February 1950. Both vessels had a thorough examination of hull and machinery, but this has unfortunately not been reported to Lloyd's.

The vessels are at present laid up at Leith Harbour, and it is the intention to dock them again and give them a survey this season which will be reported in due time.

Yours faithfully,

*S. Larsen Bjelland*

Agent to Lloyd's.
