Dear Sirs,

M.S. "ATHELSULTAN"

In reply to your letter of the 11th November, I am pleased to inform you that the Committee are agreeable to a General Examination of the hull and machinery being held in drydock at Cardiff on the 15th November, with a view to the postponement of the Special Survey until some time before the end of September, 1964, as proposed. At the time of the General Examination, special attention will require to be given to the outstanding conditions of class and the Continuous Survey cycle of the machinery should be advanced.

I take this opportunity to remind you that the Auxiliary Boiler Survey is now due as it may suit your convenience to deal with this matter at the drydocking.

Yours faithfully,

c.c. CARDIFF
