21st May, 1959.

Dear Sirs,

Classn. (H)

S.S. "MARIA LETIZIA G"

I acknowledge your letter of the 13th May and note that this ship has now been laid up at Taranto.

In these circumstances there will be no objection to the repairs to the main generator air cooler being deferred in the meantime, provided this matter is dealt with before the vessel again proceeds to sea.

I take this opportunity to point out that the Main Boiler Survey will become due at the end of August next.

I shall be glad if you will inform the Owners accordingly.

Yours faithfully,

c.c. NAP.

Clerk to the
Classification Committee.

The Surveyors,
GENOA.
