Received from Chief Engineer Surveyor.....

S NAME..... MARIA LETIZIA G..... REPORT..... Rou..... No..... 1170

S.R.L. The above item dealt with at Owners
request with a view to extending the above limit.
Some repairs effected and the cooler hydraulically
tested and found satisfactory.

Meantime the Surveyor states that satisfactory
arrangements made for detecting leakage from the
cooler and recommends extension of the above limit until
the end May 1959.

IT IS SUBMITTED that this vessel is eligible
to remain as CLASSED, subject as above and as now
amended.
