Reference Dear Sir,

"GLADYS MOLLER".  
B.C. Class.

The above vessel is now under survey at this Port for damage repairs to the main turbo generator, which it is anticipated will take six to eight weeks to carry out, and the Owners have requested that the Special Survey of Hull and Machinery be further advanced.

We shall be obliged if you will kindly inform us of what remains to be done to complete these surveys, and also send particulars of this vessel, as she does not appear in the 1947 British Corporation Register Book or Supplements, which we have taken over from the B.S. Non Exclusive Surveyor at Southampton.

We are, Dear Sir,  
Yours faithfully,

The Secretary,  
LONDON.
