**Certificate A.—To be signed by each surveyor in respect of a partial or complete survey of preceding items on a British ship.**

The undersigned surveyed the following items in the foregoing report:—

INDEX NOS. OF ITEMS EXAMINED Insert "all" if complete survey carried out	SIGNATURE OF SURVEYOR	PLACE State name of dry dock or where if afloat
<b>All</b>	<i>J. J. Walmsley</i>	<b>Bombay</b>

**Certificate B.—To be signed by the surveyor completing the survey on a British ship**

I am satisfied—

- (i) that the fittings and appliances for the protection of openings, the guard rails, the freeing ports, and the means of access to the crew's quarters have been maintained in the ship in as effective a condition as they were in when the Certificate was issued; and
- (ii) that no material alterations have taken place in the hull or superstructures of the ship which affect the positions of the load lines.

**No. 2894.** I have endorsed the Load Line Certificate and the certified copy as follows:—
