25th July, 1960.

Dear Sirs,

Classn. (H)

S.S. "MARDU"

This vessel's class has been continued subject to the windlass warping shaft main cog wheel being renewed before the end of last month.

The Owners have requested that the requisite renewal be deferred until the end of the year, but before this extension can be approved the Committee have requested an examination of the cog wheel as soon as possible.

The Owners state the ship is due at Pateniemi within the next day or two to load timber for the United Kingdom and that the examination can take place at that port.

I shall be glad if you will endeavour to arrange for the case to receive the necessary attention.

The Owners' Agents are Messrs. O/Y Herman Andersson, Oulu.

Yours faithfully,

Clerk to the
Classification Committee.

The Surveyors,
HELSINGFORS.
