ANSWER

Date:— 16th Sept. 1960.

With reference to your memorandum of the 7th January, I shall be glad to learn whether this vessel is still laid up.

The Screwshaft Survey became due at the end of May last and arrangements should also be made for this inspection to be carried out before the ship proceeds to sea.

We duly informed the Owners of the contents of your memorandum and they state that the ship is still laid up.
