QUESTION

ANSWER

With reference to your letter of the 20th November, it is concluded this vessel is laid up at Singapore, but I shall be glad to receive your confirmation on this point.

You will observe that the Donkey Boiler Survey will become due at the end of the present month and that the ship has not been seen in dry-dock since February, 1957.

Date:— 13-3-1958.

We contacted the Owners, who confirm that vessel is still laid up at Singapore.

As it is not known when the ship will be put into commission again, Owners request a further postponement of the Donkey Boiler Survey and Annual Survey of the hull.

We shall be glad to have your comments.
