Dear Sir,

With reference to your letter of the 30th ult. we beg to inform you that we contacted the Owners of the above ship, Messrs. Shell Tankers of Rotterdam.

In their reply, which came to hand today, Messrs. Shell Tankers inform us that vessel will probably be taken out of commission before the end of this month.

As no particulars are known yet regarding the future destination of the ship, Messrs. Shell Tankers have decided not to place a second compressor on board for the time being.

Owners have, however, taken the necessary steps to have a second compressor installed in case the vessel might be put into commission again.

Owners trust that this arrangement will have your approval.

Yours faithfully,

*W. Williams*

The Secretary,  
LONDON.
