communications to be addressed to—
SURVEYORS.

M. Dear Sir,

In reply to your letter of the 28th instant regarding the Motortankers "MALVINA" and "MAMURA", I have to state that we have given the Builders for "MALVINA" as N.V. Maatschappij voor Scheeps- en Werk- tuigbouw "PLENOORD" and for "MAMURA" as N.V. Wilton's Machinefabriek & Scheepswerf, which is correct.

These Firms are amalgamated financially, but each Firms hold its own name as regards Builders and all correspondence is addressed to each Firm separately on their original name for this reason the name of both Firms are left undisturbed.

Should you desire the Builders' stamp on the report for each Firm, please return the documents and the Directors have told me that they are prepared to do so.

I am, Dear Sir,

Yours faithfully,

The Secretary,

London.
