Lloyd's Register of Shipping,

High Close, Wokingham, Berks.

23rd October, 1942.

Dear Sir,

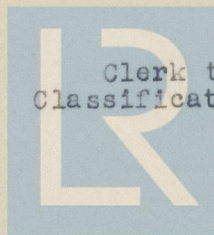

With reference to Greenock first entry report No.22028 on the motorship "NASSA", I shall be obliged if you will remind the Surveyors that the list of spare gear and the certificates for the auxiliary engine have not yet been received here.

Perhaps at the same time you will request them to state whether the oil engine driving the auxiliary compressor is also the dynamo engine, or whether there are two separate oil engines.

I am, Dear Sir,
Yours faithfully,

The Secretary,
GLASGOW.

Clerk to the
Classification Committee.
