

WOKINGHAM COPY.

ENCLOSURE

26th January, 1942.

Dear Sirs,

With reference to previous correspondence between us regarding the case of the "EMPIRE SALVAGE" I would confirm my telephone conversation this morning by enclosing a copy of a letter dated the 23rd instant received from Mr. Murray at Bath, from which you will observe that the vessel is to be run by the Director of Stores at the Admiralty, Bath, who desire both Freeboard and Classification Certificates for the vessel.

I have therefore to request that you will arrange your inspections accordingly.

I am, Dear Sirs,
Yours faithfully,

Clerk to the
Classification Committee.

The Surveyors,
NEWCASTLE-on-TYNE.
