

Collingwood Buildings,  
Newcastle-on-Tyne, 1.

16th January, 1942.

Sladden, Esq.,

WOKINGHAM.

Mr. Sladden,

I have your letter of to-day regarding the case of the "EMPIRE SALVAGE" and duly note the instructions from the Naval Intelligence Department, which will be referred to.

I understand that a request for Load Line Certificate was actually made by someone representing the Admiralty, and at the moment we are not aware of the name of the Managers.

You can rely upon our acting circumspectly.

With kindest regards,  
Yours sincerely,

*S.P. Davies*
