Dear Dick,

## "Empire Salvage"

Slim Somerville asked me if I could find out the previous name of this vessel. I have made enquiries and find that she was a supply ship for the Bismarck and was captured along with another vessel now named, I believe, the "Empire Garden". Further than that the Admiralty have no particulars as they have not kept any documents. They believe however, that the Managers, Messrs. Gow Harrison & Co. may know something about the case.

Yours sincerely,

R.J.Sladden Esq.
