

MEMORANDUM

17 - JAN 1958

LOYD'S REGISTER OF SHIPPING, 71, FENCHURCH STREET,
LONDON, E.C.3.

(Ref. H.)

Surveyor(s) at HELSINGFORS

Date: 23rd December, 1957.

Name: m.s. "WIIMA"

QUESTION

With reference to my letter of the 28th August last addressed to the Owners, a copy of which was forwarded to you, the requisite General Examination in drydock was carried out at Rotterdam in September and postponement of the Special Survey until the end of the present month has been approved.

In the absence of any information to the effect that the Special Survey has received attention, I shall be glad to learn, by return, what early definite arrangements the Owners propose making for the inspection in question to be carried out with, also for the Donkey Boiler Survey to be completed (Your Rpt. No.6360).

The Screwshaft Survey will become due at the end of January.

ANSWER

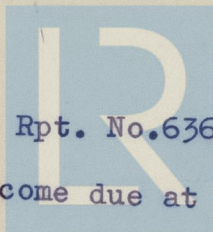

Date:— 2nd January, 1958.

According Owners' information the ship is laid up here in Finland for indefinite time. She will probably be scrapped.

I remain, Dear Sirs,
Yours faithfully,

P. W. M. W.
