Dear Sir,

m.s. "VALMAR"

Classn. (H)

It is concluded this vessel is still laid up in Maracaibo, but I shall be glad to receive your confirmation on this point.

The starboard Screwshaft Survey became due at the end of August last and arrangements should be made for this inspection to be carried out before the ship again proceeds to sea.

Yours faithfully,

Clerk to the
Classification Committee.

The Secretary,
NEW YORK.
