SYD Rpt. 21,148

of a letter from the SYDNEY SURVEYORS, dated 20.9.'47, recd. 25.9.'47.

Dear Sir,

In reply to your classing letter dated 18th July last, regarding Sydney Rpt. 20,830 on the motor vessel "BUCKIE", we have to acquaint you that the capacities of the tanks in tons S.W. are: double bottom tanks - 49 tons and fore peak tank - 20 tons.

We also have to confirm that oil gutterways have been fitted in accordance with Rule requirements.

We would add that the same remarks apply also to the sister vessel "PANT", Sydney Rpt. No. 21,148 having been forwarded with this information inadvertently omitted.

Yours faithfully,
THE SURVEYORS,

Per: B.P.Fielden (Signed)
