4th August, 1921.

Dear Sir,

I have to inform you that I am in receipt of a First Entry Report and Special Survey Report 8 from the Society's Surveyors at Leith, on the Steel Screw ex-German Steamer "CAPRI".

It is noted from the First Entry Report that the question of the equipment of this vessel has been dealt with at the Glasgow Office, and before the matter receives further consideration, I shall be glad if you will be so good as to state whether the scantlings of the vessel have also been dealt with at your Office.

I am, Dear Sir,

Yours faithfully,

The Secretary,

GLASGOW.

Secretary.
