The Screwshaft Survey became due on this vessel in
November last.

In reply to enquiry the Lisbon Surveyor now writes
that he has been informed by the Owners that they do not wish to
retain this tug in class.

The Classing Committee had the case before them on
Tuesday, the 13th instant, when they decided to give instructions
for the vessel's character to be withdrawn from the Register Book
and three dots (...) inserted in lieu thereof, indicating withdrawal
of class at Owners' request.
