Dear Sir,

With further reference to your letters of 24th & 26th instants regarding the steamer "TREGONNEL" we have to state that on enquiry at the Office of the Italian Consul we have today been informed that the vessel has been purchased by

Achille Laura,

NAPLES.

Via Dei Mille 40.

The local agents have been informed that failing immediate facilities for dry docking the vessel at this port, the owners have approached the Office of the Registro Italiano with a view to obtaining a sea worthy certificate to enable the vessel to proceed to Italy with a cargo of coal which is to be loaded at Rotterdam.

They have no information with regard to docking the vessel at the latter port and we suggest that you communicate with the Office of the Registro Italiano for further information.

We are, Dear Sir,

Yours faithfully,

The Surveyors
