Lloyd's Register of Shipping,

71, Fenchurch Street, E.C. 3.

22nd December, 1919.

In compliance with a request received from The Steamship Co. Ltd., of this City, I have the pleasure to inform you that the steamer "WAR STAG" is now being surveyed by the Society's Surveyors at Newcastle-on-Tyne, with a view to its classification 100A1 in this Society's Register Book, and the Surveyors state that the survey of the hull is practically complete, and that the boiler safety valves are being adjusted, and will be in completion of the machinery survey.

I am, Sir,

Your obedient Servant,

Secretary.

Assistant Secretary,
Marine Department,
BOARD OF TRADE,
Whitehall Gardens,
S.W. 1.
