29th May, 1918.

Dear Sirs,

I am in receipt of Mr. Hake's letter of the 27th instant with accompanying report No. 37710 of survey held during construction on the engines constructed by Messrs. D. Rowan & Co. Ltd., and fitted in the S.S. "WAR STAG" built by Messrs. W. Doxford & Sons, Ltd., to class with the British Corporation. With regard to the copy forwarded of the certificate proposed to be issued in respect of these engines I have to acquaint you that this certificate will be approved, and the original should be handed over to the British Corporation Surveyors.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,
SUNDERLAND.
