

SUNDERLAND RPT. NO. 27244 = 27 MAY 1918

(Gls Rpt. 37710)

S U N D E R L A N D .

23rd May, 1918.

A.Mc. Keand, J.A.Sutherland, and G.A.Hake,

survey the engines of the S.S."WAR STAG" Messrs. W.Doxford  
& Son's vessel No. 525 during construction and while being  
fitted in vessel.

These engines have been built under Special Survey and  
in accordance with the Rules, and had the Boilers been built  
under Special Survey and the whole of the machinery been fitted  
in a vessel intended to be classed with this Society would have  
been entitled to the record of  $\pm$  L.M.C.5.18.
