

S.S. "BUCCARI" & "VALDARNO"

These vessels hold the dual class L.R. - R.I.
There are no surveys due on the hulls.

Mr. Ormiston forwards a letter he has received from the Owners stating that they desire the classes of these vessels to be withdrawn from the Society's Register Book. Mr. Ormiston states he understands this decision has been taken with the greatest regret for reasons of economy.

It is submitted the class of the vessels be withdrawn from the Society's Register Book.
