NEWCASTLE-ON-TYNE.

23rd March, 1948.

This is to Certify that
A. WATT

The undersigned Surveyor to this Society did at the request of Messrs. North Eastern Marine Engineering Co. (1938) Limited, attend at their Works on the 21st January, 1948 and subsequently, for the purpose of examining and testing 126 Repaired Superheater Elements for the two Boilers, Order No. SHR.202/47, and intended for s.s. "TEVIOT", 7032 tons gross of London, for despatch to Messrs. Wallsend Slipway & Engineering Co. Ltd., Wallsend.

More than 10% of the total were tested by water pressure to 1,500 lbs. per square inch and found satisfactory.

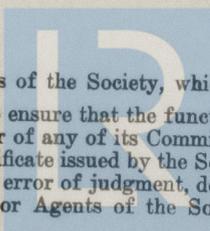

The elements are, as far as can be seen, sound and free from defects.

Fee: £1. Mar '0.

SURVEYOR TO LLOYD'S REGISTER.

This certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that:—
The Committees of the Society use their best endeavours to ensure that the functions of the Society are properly performed and it is to be understood that neither the Society nor any Member of any of its Committees is under any circumstances to be held responsible for any inaccuracy in any report or certificate issued by the Society or its Surveyors, or in any Register Book or other publication of the Society, or for any error of judgment, default or negligence of any of its Members or any Member thereof, or the Surveyors, or other Officers or Agents of the Society."
