A Special Survey No.3 (after an early No.3) became due in October 1932, and a proposal to carry out the same within the year of grace has been agreed to.

In reply to enquiry the Grimsby Surveyors now forward a letter from the Managing Owners stating that they do not intend to maintain this vessel's class in the Register Book.

The year of grace will expire at the end of the present month.

The Classing Committee had the case before them on Tuesday, the 24th instant, when they decided to give instructions for the vessel's character to be withdrawn from the Register Book and three dots (...) inserted in lieu thereof, indicating withdrawal of class at Owners' request.
