Lloyd's Register of Shipping.

Ship's Name "THACKERAY"

Official No.

Memorandum of alterations reported since ship was surveyed for assignment of Load Lines in

N^o 2 and 4 main hatch ways have now been reduced in length by 3 frame spaces in order to accommodate the fitting of additional winches at winch platform situated between the hatchways N^o 1+2 and N^o 3+4.

This alteration has been carried out in agreement with the approved and amended plan. (Copy attached herewith.)

The hatch covers, tarpaulins, cleats and battening arrangements existing, have now been adjusted and refitted to suit new size of hatchway, and in agreement with the Rules.

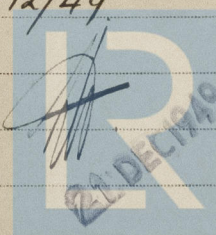

The new winch platform etc., have tested on completion of work.

The positions of the hatch shifting beams remain unaltered the end spacing being reduced to 4'-2"
A copy of the above has been placed on board ship.
