Dear Sirs,

## CLASSING LETTER.

12385 "NICOLAOS SARDIS" ex "TASSIA". As recommended, except that the hull class has been continued subject to a bower anchor being supplied at the earliest opportunity and the total length of chain cable on board being verified and found or placed in accordance with Rule requirements by the next drydocking.

In this connection I shall be glad to learn the Owners' intentions regarding the supply of a bower anchor.

"ELENI K". I acknowledge receipt of your memorandum of the 18th July, the contents of which have been noted, and the appropriate action regarding the Entries in the Register Book and the S.R.L. Appendix has been taken.

Yours faithfully,

The Surveyors,
