Dear Sir,

SS "TASSIA"

With reference to your letter of the 7th April, and on entry in the Return 3 dated the 14th January, for this vessel, it is regretted that the description of survey was wrongly indicated.

The vessel was not under survey and the relevant Rpt. 10, dated 26th January 1966 for the manufacture of two spare main engine piston rods was issued by the surveyors concerned.

Yours faithfully,
The Surveyors

The Secretary
