Dear Sirs,

Steamship "TASSIA"

C  
DHGK/PAH

With reference to your letter of the 19th instant, if the checking of the chain cable in question cannot be carried out at this time then definite arrangements should be made for this to be done in the near future. You should advise this office of the proposed arrangements.

I shall be glad if you will state if possible a definite time by which the boiler safety valve springs will be dealt with.

Yours faithfully,

pro Clerk to the  
Classification Committee.

The Surveyors,  
HULL
