Dear Sirs,  
s.s. "TASSIA"

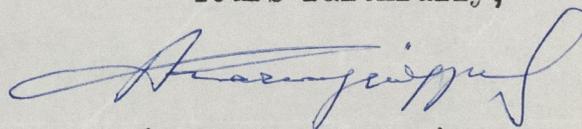

We thank you for your letter of the 19th inst., contents of which we duly noted.

The postponement by us of the drydocking of the ship at Trieste was due to the long stay of her in the port of Monfalcone because of congestion in that port and we were afraid to lose the cancelling date of other bookings we had after Monfalcone.

We asked the master to inform in time your Society's representatives at Trieste and we still continue to need of the postponement for one year of the Special Survey. For this purpose we will drydock the ship during March or April and we will not fail to advise you in time of the exact date and port of the drydocking.

We thank you very much for the service you rendered us and remain, Dear Sirs,

Yours faithfully,

  
(A. Catsogeorgis)
