Dear Sirs,

S.S. "TASSIA"

The special survey of the above named vessel becomes due in May next but, as we envisage to keep her trading for a longer period, we would be obliged if you would consider in granting an extension with a view of undergoing the Survey in May 1966.

We take this opportunity to make this request now, as it is intended to drydock the ship in about a weeks time in Trieste. This would allow you to inform your local Surveyors accordingly so that the drydocking may be taken as part of the general examination required.

Hoping for a favourable reply by cable, if possible, we are, Dear Sirs,

Yours faithfully,

(A. Catsogeorgis)
