Dear Sir,

I beg to forward herewith, together with a translation, a letter received from Messrs Association Pétrolière, from which you will observe that they have decided to give up the Society's class of their Steamer "BAHRAM".

I may add that the reason of delay in sending you that letter is due to the fact that, before doing so, I desired to have an interview with the Directeur of the above named Company.

The Director, Mr. Pearson, stated to me that their decision was definitive and pointed out that only financial considerations inspired it.

I intended also to pay a visit to Mr. Paul Houët; but this gentleman is absent from Paris for several months and, moreover, he is no longer on the Board of Directors of the Association Pétrolière.

I am, Dear Sir,

Yours faithfully,

James

P.S. Mr. Pearson added that, in regard to the "SHAPUR", they will continue to have the vessel classed with this Society.
