CSM advanced.

The Special Survey falls due in 6.62 and a proposal to postpone this survey until 12.62 approved 10.7.62 provided a satisfactory General Examination held and the Surveyor states the machinery now generally examined and found satisfactory.

IT IS SUBMITTED that this vessel is eligible to remain as classed, and it is further submitted that the proposal to postpone the Special Survey merits the favourable consideration of the Committee.

Note It is concluded but should be confirmed that the oil fuel survey done and oil fuel system were for the oil fuel installation of the machinery boilers is not for the Main engine.
