Dear Sirs,

M.S. "PHOENICIAN STAR"

I acknowledge your letter of the 12th August, the contents of which have been noted and for which I am obliged.

The question of the postponement of the completion of the Special Survey will be re-considered by the Committee when the information referred to in my communication of the 29th July is received by cablegram from the Society's Surveyors in Karachi, it being concluded that all the requirements stated in my previous letter will be complied with whilst the vessel is under survey for part Special Survey and complete Engine Survey at Karachi at this time.

Yours faithfully,
