Dear Sirs,

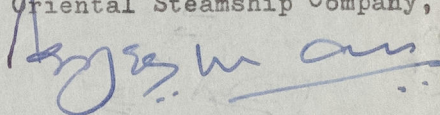

Re: Motorship Phoenician Star.

We acknowledge with thanks the receipt of your letter dated 29th July, '66 regarding the captioned vessel. We once^{again} thank you for your cooperation and prompt attention in respect of our request to carry out General Examination of the vessel at Karachi enabling the Local Surveyors to convey to you their recommendations for granting extension of three months for conducting Special Survey.

Since the vessel is likely to be delayed in Karachi the Owners have decided to complete Special Survey above water (hull) and complete total Engineroom survey - which means that there will remain only under-water survey to complete in Japan. We are confident that you will very kindly approve of this arrangement.

Thanking and awaiting from you,

Yours faithfully,
for United Oriental Steamship Company,

(Sabir Yar Khan),
Operation Manager.
