Dear Sirs,

Motorship "PHOENICIAN STAR".

With reference to the letters addressed to you on 23rd June and 8th instant by the Owners in Karachi (copies of which communications have been sent here), the Committee have today given very careful consideration to the Owners' request, but bearing in mind the ship's age and recent reports of shell wastage, they regret they have been unable to agree to any further postponement of the Special Survey beyond the end of next month, when the year of grace will expire.

I enclose for your file a copy of a letter that has been sent to the Owners' Agents on the subject.

Yours faithfully,

Classification Manager.

The Surveyors,
HONG KONG.
