12th May, 1966.

Lloyd's Register of Shipping,  
71, Fenchurch Street,  
LONDON, E.C.3.

For the attention of Mr. Aldgate.

Dear Sirs,

"PHOENICIAN STAR"

We shall be pleased if you will kindly refer to our letter of the 5th of May concerning the third generator in this ship.

We have a further communication from Mediterranean Maritime Company asking if you have yet given permission for exemption in respect of the third generator for the rest of time this ship is likely to trade.

We are told that your Surveyor in Yokohama allowed the ship to sail from Nagoya for North Spain on condition that a new generator was fitted at discharging port before 31st of May 1966.

We are told that even if you are not prepared to allow the ship to dispense with third generator the manufacturers cannot have a new one ready for four months.

Yours faithfully,  
HOWARD TENENS LIMITED.

Director.
