For the attention of MR. ALDEGATE.

Dear Sirs,

"PHOENICIAN STAR"

The Mediterranean Maritime Co. of Karachi have been corresponding with you concerning the 3rd Generator (30 kw) in this ship.

We understand from Mediterranean Maritime Co. that you wrote to them on the 22nd April saying that you were waiting for Surveyors' Report from Yokohama. We have been asked to approach you to enquire if this report has been received, and if you are agreeable, that the ship can trade in the future without this 3rd Generator.

Your early attention to this matter would be appreciated by the Mediterranean Maritime Company.

Yours faithfully,
for HOWARD TENENS LIMITED

L. ATKINSON,
Director.
