Dear Sir,

Motorship "SAN FERNANDO"

Thank you for your letter of the 2nd instant which has been read to the Committee at their meeting today.

Whilst it is appreciated that you have been unable to adhere to your previous proposal due to circumstances beyond your control, the Committee have asked me to point out that they have now agreed to the long overdue Screwshaft Survey being postponed until the end of May next on the strict understanding that no further postponement will be granted.

Yours faithfully,
