DHGK/SO

Dear Sir,

CLASSING LETTER.

5794 "MAIDAN". As recommended. I would refer you to the item in the S.R.L. Appendix, and you should state whether the plugged tubes have been dealt with at this time.

5805 "SAN FERNANDO". As recommended. It is concluded that the Cochran boiler Ogee ring was examined at this time, but your comments on this point are desired.

Yours faithfully,

pro Clerk to the
Classification Committee.

B. Borkett, Esq.,
COLOMBO.
