7th August 1964

Dear Sirs,

Motorship "SAN FERNANDO"

I have your letter of the 14th July and have today informed the Committee of your comments.

In reply I am asked to say that while they will not object to the Screwshaft Survey being deferred until April 1965 as proposed, they consider the inspection should then be held without fail and that no further postponement should be sought.

Yours faithfully,

Clerk to the  
Classification Committee.
