Dear Sirs,

M.V. "SAN FERNANDO"

We acknowledge receipt of your letter R SEI/BB, with respect to surveys on the above vessel, for which we thank you.

The Auxiliary Boiler Survey will be completed at either Karachi or a South African port, possibly Mombasa, sometime during September next.

The "San Fernando" was drydocked at Karachi during April 1964. Inadvertently the Tailshaft was not drawn for survey and we now request your approval for deferment of this survey until the next scheduled drydocking April, 1965.

Thanking you for your consideration in this matter, we remain.

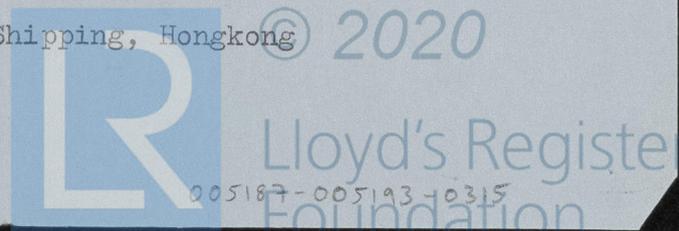

Yours faithfully,  
MANNERS NAVIGATION CO., LTD.
