The Boiler Survey became due on this vessel
in September last.

In reply to the usual notice the Owners write
that they do not desire to keep this trawler in classification
and ask that the class be deleted.

The Classing Committee had the case before
them on Tuesday, the 13th instant, when they decided to give
instructions for the vessel's character to be withdrawn from
the Register Book and three dots (...) inserted in lieu thereof,
11,34
indicating withdrawal of class at Owners' request.
