

Messrs Camper & Nicholsons Ltd. S&N^o 281.

is submitted that the Southampton Surveyors be
requested to forward the following information;
name, gross tonnage, tonnage for fees & the
nominal horsepower as per Newcastle Machinery
Report. If the vessel is not now being built
the order of the Shipping Controller, the
Surveyors should state whether Specification
ties are being carried out to the completion
the vessel and the percentage of work completed
the hull at the date. R.M.
transfer.
