Reference

Dear Sir,

We beg to forward herewith our report No. 72338 on the new set of Engines No. 352 manufactured by Messrs. The Shields Engineering Co. Ltd. for the "C4" type standard coaster Yard No. 281 built by Messrs. Camper & Nicholson Ltd. This set of engines is stated to have been completed to the order of the Shipping Controller and the contractor's Claim Forms for the full purchase price are being signed by ourselves.

The Boiler for this vessel was manufactured by Messrs. The Wallsend Slipway & Engineering Co. Ltd. their No. 325 B as per Newcastle Report No. 72049 forwarded on the 11th July last. We shall be glad to be informed in due course as to the amount of fees to be charged for the survey of the engines and boiler in question.

We are, Dear Sir,

Yours faithfully,

THE SURVEYORS,

per

The Secretary,

London.
